THE 400 VINYL ROOM

Cocktail Experience

Inspired by one of Hollywood's most legendary private lounges, The 400 Club brings a piece of cinematic history back to life. Originally founded in the 1920s inside **the iconic Yamashiro mansion in Hollywood**, the 400 Club was a hidden gathering place for the film industry's elite. During the golden age of silent movies, it became a private escape where actors, creators, and tastemakers could meet, celebrate, and connect away from the spotlight.

Now, nearly a century later, that spirit returns with the new 400 Vinyl Room at Yamashiro Miami. **Designed as an intimate lounge experience**, the space honors the original club's legacy while reimagining it for a new generation. Think timeless glamour, curated music, craft cocktails, and a vibrant social energy, all inspired by the exclusivity and mystique that defined the original 400 Club.

A place where history, culture, and nightlife meet.
